Peckham Voluntary Sector Forum

Who are we?

PVSF is an umbrella organisation rooted in Peckham, The Lanes, Nunhead and East Camberwell. We are run for and by local groups and organisations regardless of size, areas of interest and backgrounds. Our members all engage individuals who, in one way or another, give their time, experience and expertise to local projects and/or to influence local decision making. They create better neighbourhoods and improved opportunities and services for people living here.

The Forum employs staff to implement its support services to local groups

Our Vision

A strong local network of effective and sustainable community, faith and voluntary groups that work to create better neighbourhoods, greater understanding between diverse communities and a better quality of life for all
